NOTES:

Data covers California Universities and M.I.T. patents issuing since January 4, 2000.
 Data does not attempt to cover the claims in patents with "indistinct claims".

For the "Ind. in 1st 25" column, only the first 25 claims in a patent were analyzed
 to determine whether more than 5 independent claims were present.

Government funding was indicated by the words "fund", "grant", "support", "award",
 "sponsor", or "contract" in the Government Statement.
